

# The Gift of Life

Rev. Warren Edde  
April 16, 2008

God, creator of Love, Patience, Charity, and Hope, please grant us the faith we need, the understanding we need, and the directions we need to improve ourselves, our families, and our world during our stay on Earth. These blessings I ask in the name of our Savior Jesus Christ, Amen.

---

God, the creator of Heavens and Earth, granted the gift of life to each person – those who are here now and those that have passed on before us. This gift, no matter how short or how long, was a gift and an opportunity for us to make our world and the world for our family a better place to live.

Through the gift of Love, that greatest of all gifts given to us by God, we can each make a difference on this Earth. Demonstrate love to our families –children, grandchildren, brothers, sisters, uncles and aunts – and to our fellow man through words and through random acts of kindness. We all have a limited opportunity to make friends, to extend our families, and to help those in need.
